# HEADMISTRESS' WELCOME

---

Hello and Welcome, I'm Mrs Hilary Marsden, Headmistress of The Webber Independent, and I'm delighted that you're considering Our School for your son or daughter's education.

Our prospectus will give you a taste of what Life at Webber is like, and provide you with the information you need to assess how we can meet your son or daughter's educational and growth needs.

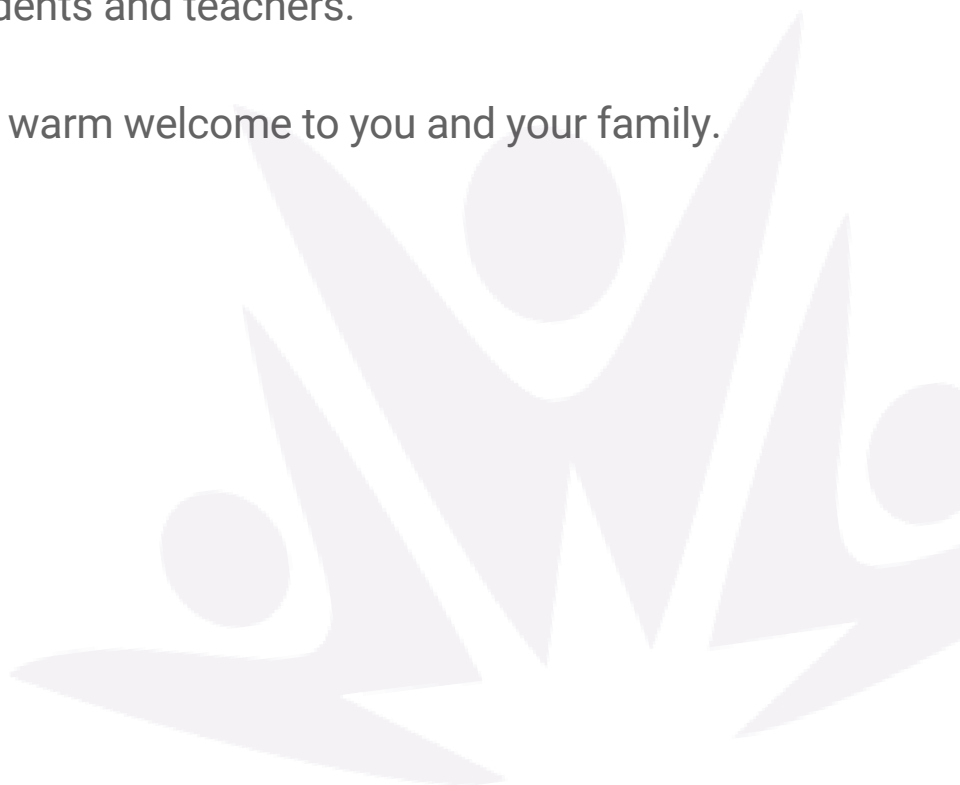

Our passionate team of educators and I have worked hard to create a modern learning environment with a down-to-earth atmosphere, where the National Curriculum is underpinned with dynamic Real World Learning and beneficial extra-curricular activities, providing an ideal place for your son or daughter to build their future.

The best way to discover what's on offer is to experience the learning environment first-hand. I would be delighted to welcome you for a personal tour, where you will have the opportunity to meet with me, tour our learning spaces and talk with our students and teachers.

I look forward to extending a warm welcome to you and your family.
