

THE WEBBER INDEPENDENT SCHOOL

VISION

We build within our children a lifelong love of learning, which will equip and prepare them for their individual journey to success.

PROMISE (MISSION/AIMS)

To provide a first-class individualised learning experience supported by outstanding teaching and pastoral care to help our children achieve their personal and academic potential. To provide our children with new challenges and opportunities to help guide them on their journey of discovery. To promote a culture of kindness within a strong family community, in which everyone is encouraged to be their best selves. We promise to achieve excellence together.

PROMISE (MISSION/AIMS)

Our promise is expressed through specific core values that form the guiding principles of everything we do.
At Webber Independent School, we aim to:

CHARACTER QUALITIES

Develop the **character qualities** that are highly prized in education and the wider world, such as curiosity, initiative, resilience, adaptability, leadership and social and cultural awareness.

PERSONAL SKILLS

Encourage the **skills** of creativity, communication, collaboration and critical thinking required to become successful global citizens and meet the challenges of the modern world.

VALUES

Promote and encourage the **values** of respect, responsibility, effort and empathy to enhance emotional well-being within a culture of kindness.

PARTNERSHIP

Value and develop strong, supportive **partnerships** with our families and the wider community.

BRAND MESSAGE

The Webber Independent School and Nursery is a co-educational day school and nursery for children aged 6 months to 16 years. We promise to provide our children with a first-class individualised learning journey, an environment in which each of our children are encouraged to strive for greatness on their chosen path and reach their individual potential.

ACHIEVING EXCELLENCE TOGETHER
