

# THE WEBBER INDEPENDENT SCHOOL

Extra-Curricular Activities Booklet

Summer 2021 – Term 3

## Extra Curricular Programme Resumes Monday 19 April 2021

Dear Parents

We are delighted to be taking another significant step '**Back to Better**' and from next **Monday 19 April** we will be **resuming the Extra Curricular Programme in school**.

ECA's will be running in 3 Covid Secure Bubbles (Y1-6, Y7-9 and Y10 and 11) and will of course be following all the up to date Government Guidance and Risk Assessment measures.

This does mean that there will not be the usual cross-phase clubs and this does have a slight impact on the breadth of offering.

To allow us to resume the ECA Programme all Webber staff have committed to doing extra duties / supervision and clubs significantly over and above their normal scheduled expectations to allow us to be able to offer as wide, rich and engaging programme of Extra Curricular Activities and experiences as possible to all our children. I would like to take this opportunity to thank all teaching and non-teaching staff for their support, goodwill and flexibility in helping us take this significant step ' Back to Better'.

The ECAs Booklet with full details of each Club and a Weekly ECA Overview is attached for you to review with your child over the weekend. Please discuss this with your child and return the ECA Overview Sheet, highlighted with the clubs your child would like to attend to their Form Tutor on Monday 19 April. Children will sign up for the ECAs with their Form Tutors on Monday morning in Registration time and all clubs will start from Monday 19 April.

With almost **50 Extra -Curricular Clubs** on offer there should be something for everyone. We would ask that all children take the opportunity to **sign up for at least 2 ECAs and of course as many as they would like in addition to this!**

As always the vast majority of clubs on offer at Webber are free of charge and we would encourage all children to make the very most of all the opportunities on offer to try something new, get involved, develop new skills, keep healthy and have fun!

We will be sharing some of the highlights, images, student reports and quotes from the Extra Curricular Programme with you in the upcoming fortnightly Newsletter.

Kind regards  
Hilary Marsden  
**Headmistress**

<b>Aerobics/Dance Club Y7 – Y9</b>	
Day/Time	Tuesday 4:00pm – 4:30pm
Venue	Drama Studio
Teacher	Mrs M Paris mi.paris@webberindependentschool.co.uk
