

Start your child's early years story with us...

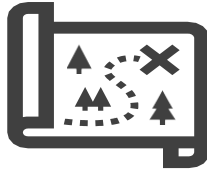

The Webber Nursery

“ The Webber Nursery has provided a nurturing and loving environment and my daughter loves to attend each day. ”

Current Nursery Parent

The journey begins right here

Life at Webber is vibrant, inclusive and academic. Whether you decide to join us at 6 months old in The Nursery, or in Senior School ready to take on GCSEs, we are committed to delivering a first-class individualised learning journey that nurtures personal development and growth.

The Webber Nursery marks the beginning of your child's Webber journey - and offers the best possible start for our littlest learners!

Welcome to Webber Nursery

At the Webber Nursery, we are a team of highly skilled educators with a real passion for childcare. We have worked hard to create a wonderful, nurturing learning environment and a home from home, where your child can feel safe and secure and where they are happy, content and eager to learn.

We have created delicious meals to encourage a healthy diet and have soft cosy areas for sleep and rest. We are passionate about providing high-quality childcare and education in a fun and engaging way.

Please come and see for yourself what makes The Webber Nursery so special.

Laura Camfield
Nursery Manager (The Webber Nursery)

Here at The Webber Independent School, we are proud to offer an extraordinary learning experience for children from 6 months to 16 years.

At The Webber Nursery, our passionate team of childcare specialists support your child to reach their full potential, working in close partnership with parents to ensure the best possible start to their learning journey.

Regular interaction between children in our Nursery classes and children in Reception and older year groups, enables a seamless transition into School and allows our youngest children to feel part of the warm and welcoming, Webber family.

I am confident that your child will have an exceptional and fulfilling time with us and I look forward to extending a warm Webber welcome to you and your family.

Hilary Marsden
Headmistress (The Webber Independent School)

Our Rooms

Our Nursery is full of wonder and stimulation but is also calm and considered

The Webber Nursery is divided into three stimulating rooms, allowing children to thrive in small groups with individual attention and a personalised learning journey. The children also benefit from their own outdoor area with an abundance of space for play and discovery.

Little Explorers

(6 months to 2 years)

Little Adventurers

(2 to 3 years)

Little Learners

(3 years+)

—Your child's learning journey —

A love for learning starts from as early as six months with our team of highly skilled and knowledgeable educators, who have a real passion for childcare.

With a 'Stage not Age' ethos, the nursery team supports each child's growth and development through the delivery of excellent education and care within a nurturing and enriching environment.

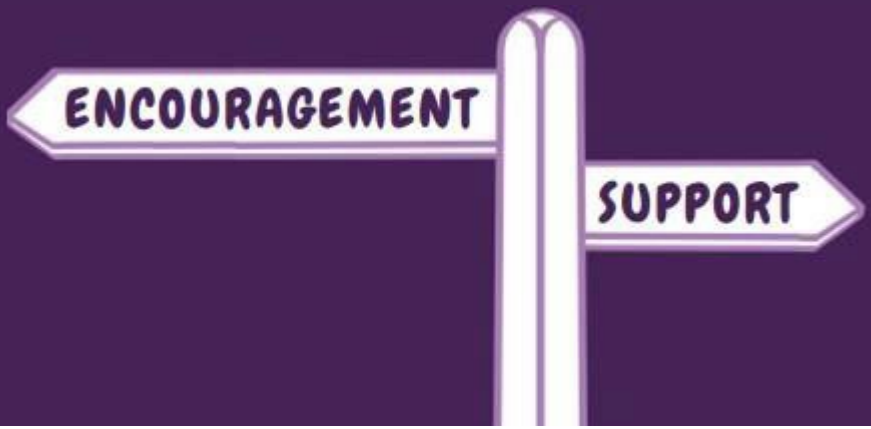

Unlike other nurseries in the area, we offer a range of activities to encourage learning, movement and well-being, including Yoga, cookery, language classes and forest schooling.

We have created a delicious menu to encourage a healthy diet, and actively encourage our children to engage in the process of planning and cooking meals. Where possible, we even use fruit and vegetables which have been grown on site.

As professionals, we understand the importance of down-time and rest, and value the impact that it has on our children's learning; as such we offer soft and cosy areas for sleep and rest in all of our playrooms.

We are passionate about providing high-quality childcare and education in a fun and engaging way. With the children at the very centre of all that we do, our approach to early education is very much led by the children, their interests and important life events.

Our planning is 'In The Moment' specific to each child and relative to what is happening in the world around us.

Our Curriculum

At The Webber Nursery, we follow the Early Years Foundation Stage (EYFS) Curriculum and ensure that each phase of learning is extended through wider experiences both inside and outside the classroom.

Our passionate and highly qualified Nursery team deliver educational excellence in a nurturing, vibrant and enriching environment, supporting each child's growth and development and ensuring all pupils are happy and well cared for.

We place great emphasis on health and wellbeing for all children in our care and from a young age, there is a focus on the importance of healthy minds and healthy bodies.

A continuous and seamless curriculum for our youngest children through to our preschool age pupils, ensures that we are providing the best possible start for each child, nurturing their individual talents, sparking their curiosity and igniting a lifelong love of learning.

Little Explorers Room (6 months to 2 years)

For the youngest children in our care, we focus on the Prime Areas of the EYFS curriculum - Personal, Social and Emotional Development, Physical Development and Communication and Language.

Little Adventurers Room (2 to 3 years)

The children play and learn under our expert guidance, during which time we observe, record and share their progress with you, via our online platform. Literacy and Mathematics are incorporated into continuous provision to ensure the children develop an awareness of letters, sounds and numbers.

Little Learners Room (3 years+)

Daily Literacy and Mathematics sessions help the children in Little Learners to develop the specific areas of the EYFS curriculum. The children also receive specialist teaching, allowing them to broaden their knowledge of languages, PE, digital learning, Music and Yoga. We support each child to develop their independence and problem-solving skills, building a solid foundation for their future and laying a seamless pathway for their learning journey into Reception class and beyond.

Admissions

We believe in a personal approach and keeping things simple. Our Nursery and Admissions team are on hand throughout the process to answer any questions that you may have. Admissions in five easy steps:

1. Register your interest - To begin the process, contact our Registrar, Sandra Murchison on **01908 574740** or email registrar@webberindependentschool.co.uk
2. Book a tour - Why not come and visit us at The Webber Nursery. You will meet our Nursery Manager, members of our Nursery team and have the opportunity to visit each of our dedicated rooms. Contact our Registrar Mrs Murchison on 01908 574740 Or email registrar@webberindependentschool.co.uk
3. Register for a place - At this stage, we require a £100 refundable deposit and a completed application form.
4. Offer - An offer of a place will be made in writing if we feel that we can provide the level of care that your son or daughter needs.
5. Acceptance - On acceptance of a place, and once payment of the deposit has been received, we will invite you and your child to a series of settling in sessions, so that you can familiarise yourselves with the Nursery setting and staff, and we can learn all about your child.
