Extra-Curricular Activities Booklet
2024 – Term 2

Dear Parents

We are delighted to share with you the new and extended Term 2 Extra Curricular Activities and Leadership Programme.

The programme is based on feedback from Student Councils and Student and Parent Surveys and includes some exciting new opportunities.

It offers a wide range of over 60 clubs, activities and opportunities across the Reception to Year 11 age range and we aim to offer something to interest everyone!

Student Leadership opportunities was one of the 6 Key Priorities for last academic year and the new ECA programme includes many opportunities for Seniors Students to support, coach, mentor and lead activities and working groups. This helps our young people to build up their digital portfolio of leadership experience and skills which gives them the 'Webber Edge' and helps them stand out in their Prefect, Head Student, Post 16 Sixth Form and College interviews. These opportunities give our students the chance to serve in their School and wider community and to give something back. These leadership opportunities also help our young people to develop as individuals to become confident, articulate and impactful young adult and contribute toward their Community Service Awards.

Our Nursery and Junior School children really enjoy playing and learning alongside our older students who they look up to as role models and the older students gain as much from this interaction too! Working together across the Key Stages and phases of the School is what makes Webber a family school.

The Programme includes:

- * Art, Performing Arts, Creativity and Music
- * Well-being, positive mental health and healthy choices
- * Sports for School Teams, fitness and fun
- * GCSE Booster classes in all subjects
- * IT and Digital Literacy
- * Green, Science and Eco themed Clubs
- * Languages, communication, reading and debate
- * Leadership and mentoring opportunities
- * Finance and Entrepreneurship
- * Army Cadets and Duke of Edinburgh's Award
- * Just for fun clubs!

The vast majority of these activities and clubs are totally free of charge and we strongly encourage all our students to make the most of these fantastic opportunities.

There is no maximum limit but we strongly encourage all students to attend at least 2 clubs or activities each week where a register will be taken. Once signed up students must commit to regular attendance for 10 weeks and see the staff member in charge in advance if for any reason they are unable to attend.

If you would like your child to have Peripatetic Music lessons in school please contact our Head of Music Mr Baker r.baker@webberindependentschool.co.uk for further details of the wide range of instrumental lessons on offer.

If you have any questions or if you would like to suggest or even run a future club or activity please contact Miss Cherish King c.king@webberindependentschool.co.uk.

Kind regards

Hilary B Marsden
Headmistress
