Extra-Curricular Activities Booklet
2024 – Term 3

Dear Parents

We are delighted to share with you the new and extended Term 3 Extra Curricular Activities and Leadership Programme.

The programme is based on feedback from Student Councils and Student and Parent Surveys and includes some exciting new opportunities.

It offers a wide range of over 60 clubs, activities and opportunities across the Reception to Year 11 age range and we aim to offer something to interest everyone!

Student Leadership opportunities was one of the 6 Key Priorities for last academic year and the new ECA programme includes many opportunities for Seniors Students to support, coach, mentor and lead activities and working groups. This helps our young people to build up their digital portfolio of leadership experience and skills which gives them the 'Webber Edge' and helps them stand out in their Prefect, Head Student, Post 16 Sixth Form and College interviews. These opportunities give our students the chance to serve in their School and wider community and to give something back. These leadership opportunities also help our young people to develop as individuals to become confident, articulate and impactful young adult and contribute toward their Community Service Awards.

Our Nursery and Junior School children really enjoy playing and learning alongside our older students who they look up to as role models and the older students gain as much from this interaction too! Working together across the Key Stages and phases of the School is what makes Webber a family school.

The Programme includes:

- * Art, Performing Arts, Creativity and Music
- * Well-being, positive mental health and healthy choices
- * Sports for School Teams, fitness and fun
- * GCSE Booster classes in all subjects
- * IT and Digital Literacy
- * Green, Science and Eco themed Clubs
- * Languages, communication, reading and debate
- * Leadership and mentoring opportunities
- * Finance and Entrepreneurship
- * Army Cadets and Duke of Edinburgh's Award
- * Just for fun clubs!

The vast majority of these activities and clubs are totally free of charge and we strongly encourage all our students to make the most of these fantastic opportunities.

There is no maximum limit but we strongly encourage all students to attend at least 2 clubs or activities each week where a register will be taken. Once signed up students must commit to regular attendance for 10 weeks and see the staff member in charge in advance if for any reason they are unable to attend.

If you would like your child to have Peripatetic Music lessons in school please contact our Head of Music Mr Baker r.baker@webberindependentschool.co.uk for further details of the wide range of instrumental lessons on offer.

If you have any questions or if you would like to suggest or even run a future club or activity please contact Miss Cherish King c.king@webberindependentschool.co.uk.

Kind regards

Hilary B Marsden

Digital sign-up for these Extra Curricular Activities will be running between **Thursday 11 April from 10am until Friday 19 at 3pm** through Magic Booking. If you are a first time user of this system, see below a step-by-step guide to making bookings.

Step 1 - please follow the link to magic booking <https://webberindependentschool.magicbooking.co.uk> or click [here](#).

Step 2 - (if you do not have an account) – click ‘Forgot your password?’ button, enter your email address to receive a link to reset your password.

Please note this must be the same email address that we hold on the School system, you will not be able to use any other email. If this needs updating, please contact the Admin Team on reception@webberindependentschool.co.uk

Step 3 - (if you do not have an account) – you will then receive a link to reset your password once this is done you will now have access to the system.

Step 4 – select the type of activity you would like to book.

Step 5 – follow the steps on screen and make sure to answer questions where appropriate.

Step 6 – please ensure to make payment(s) at the time of booking where necessary to ensure your booking does not get cancelled by the system.

Waiting List Check

Step 7 – Double check whether your child is on the Activity or the Waiting List by clicking the ‘Bookings’ tab at the top of the page.

Home Book Activity **Bookings** Account Children Contact Us Help ? Logout

Step 8 – Scroll to the bottom, this will show you all the activities you have signed your child up for however, this **does not mean they are accepted**. The ‘balance’ column refers to any outstanding amount to pay so in the example below all money is ‘cleared’ meaning there is no money left to pay.

Status	↑↓	Cost	↑↓
Waiting List		£0.00	

To ensure your child can attend their preferred ECAs, we recommend you book early as capacity in each club may be limited.

The children will be expected to commit to the club for the whole term.

Clubs will commence **Tuesday 16 April 2024**.

If you are booking Extra Curricular Activities and require After School Provision after the Activity, please ensure to book the appropriate After School Provision event using the same link as above. I have added a note to the title of the event to make it more convenient. For our newer parents Before and After School Provision is booked the same way as above.

If you encounter any issues or would like any help with the process, please feel free to contact me.

Kind regards

A Dungeon Master (DM) serves as the game’s referee and storyteller, while maintaining the setting in which the adventures occur, and playing the role of the inhabitants of the game world, known as non- player characters (NPCs).

The characters’ form an adventuring group and they interact with the setting’s inhabitants and each other. Together they solve dilemmas, engage in battles, explore, and gather treasure and knowledge. In the process, the characters earn experience points (XP) to rise in levels, and become increasingly powerful over a series of separate gaming sessions.

Some prior knowledge is helpful but not necessary.

- Learn how to recycle, repair and relove your clothes with make do and mend - how to do repairs with a needle and thread.
- Needlepoint and cross-stitch.
- Upcycling - Paint techniques on furniture / adding embellishments, collars and cuffs to plain tops, etc. Making clothes out of old curtains / alterations using second-hand clothing.
- Gift wrap - I'm really good at this! Don't like to boast, but I am famous for my gift-wrap! Also, my focus is on using plain brown wrapping paper and then making gift toppers out of natural materials, rather than just buying expensive paper, so it's a really inexpensive and planet saving activity.
- Origami
