Prep School
Extra-Curricular Activities Booklet
2025 – Term I

Dear Parents

We are delighted to share with you the Extra Curricular Activities and Leadership Programme.

The programme is based on feedback from Student Councils and Student and Parent Surveys and includes some exciting new opportunities.

We offer a wide range of clubs, activities and opportunities across the Year 7 to Year 11 age range, and we aim to offer something to interest everyone!

Student Leadership opportunities are key to personal development and this ECA Programme includes many opportunities for Seniors Students to support, coach, mentor and lead activities and working groups. This helps our young people to build up their Digital Portfolio of leadership experience and skills which gives them the 'Webber Edge' and helps them stand out in their Prefect, Head Student, Post 16 Sixth Form and College interviews. These opportunities give our students the chance to serve in their School and wider community and to give something back. These leadership opportunities also help our young people to develop as individuals to become confident, articulate and impactful young adults and contribute toward their Community Service Awards and Character Education.

Our Nursery and Prep School children really enjoy playing and learning alongside our older students who they look up to as role models and the older students gain as much from this interaction too! Working together across the Key Stages and phases of the School is what makes Webber a family school.

The Programme includes:

- Art, Performing Arts, Creativity and Music
- Well-being, positive mental health and healthy choices
- Sports for School Teams, fitness and fun
- IT and Digital Literacy
- Green, Science and Eco themed Clubs
- Languages, communication, reading and debate
- Leadership and mentoring opportunities
- Finance, Life Skills and Entrepreneurship
- Army Cadets and Duke of Edinburgh's Award
- Just for fun clubs!

The vast majority of these activities and clubs are totally free of charge and we strongly encourage all our students to make the most of these fantastic opportunities.

There is no maximum limit, but we strongly encourage all students to attend at least 2 clubs or activities each week where a register will be taken. Once signed up, students must commit to regular attendance for 10 weeks and see the staff member in charge in advance if they are unable to attend for any reason.

If you would like your child to have Peripatetic Music lessons in school these can be booked via Magic Booking however, if you have any further questions please contact our Head of Music Mrs Molloy e.molloy@webberindependentschool.co.uk for further details.

If you have any questions or if you would like to suggest or even run a future club or activity please contact the school Reception Team reception@webberindependentschool.co.uk.

Kind regards

Hilary B Marsden
Headmistress

Digital sign-up for these Extra Curricular Activities will be running between **Tuesday 2 September from 6pm until Friday 12 September at 3pm** through Magic Booking [here](#).

Please note that if you have any overlapping or waiting list bookings when trying to book your chosen club(s) these **ALL** need to be accepted in order for your booking to be accepted. This will be displayed like the example below, and you can accept the overlaps by clicking the button highlighted in yellow and ticking all.

The screenshot shows the Magic Booking interface for 'Senior Entrepreneurs'. At the top, there are buttons for 'Book Session' (highlighted in green), 'Check Availability', and 'Booking Process'. Below this is a session selector for 'Senior Entrepreneurs' and a 'Click to expand and collapse' link. The main area displays a calendar for the year 2025, with a yellow box highlighting the 'View Overlapping/Waiting List Sessions' button. The calendar shows weeks 2 through 7, with week 2 selected. Below the calendar, a table lists the sessions for Week 2 (Thu 09/01/2025 - Sun 12/01/2025). The table has columns for Select, Child, Day, Date, Start Time, End Time, Price, and Status. A single session is listed for Thursday, 09/01/2025, from 13:30 to 14:00, with a price of £0.00 and a status of 'Waiting List'. A 'Waiting List' button is visible next to the session. At the bottom, there are 'Previous' and 'Next' navigation buttons.

If you are a first time user of this system we have added our Parent Manual for Magic Booking on our Webber App or our website which can be found here: If you are a first time user of this system we have added our Parent Manual for Magic Booking to our website which can be found here: <https://www.webberindependentschool.com/school-life/extra-curricular-sport/>

To ensure your child can attend their preferred ECAs, we recommend you book early, as capacity in each club may be limited. Please make sure to check if you are accepted or on a waiting list for the club. Instructions on how to do this can be found in the Manual linked above.

The students will be expected to commit to the club for the whole term.

Clubs will commence **Wednesday 3 September 2025**.

If you are booking Extra Curricular Activities and require After School Provision after the Activity as you are not already paying for wrap around care on fee structure - Option 2, please ensure to book the appropriate After School Provision event using the same link as above. I have added a note to the title of the event to make it more convenient. For our newer parents, Before and After School Provision is booked the same way as above. You only need to book Before and After Provision on Magic Booking if you Opted for Option 1 School Fees.

If you encounter any issues or would like any help with the process, please feel free to contact us on reception@webberindependentschool.co.uk.

Pre Prep (Reception – Year 2) Clubs

Prep School Student Council (Lunch Time Club)

Day

Monday

Year Groups

I, 2, 3, 4, 5 & 6

An opportunity for children to discuss their thoughts and ideas for the School. Student Voice is key at Webber, so come along and represent your Form Class' ideas and suggestions to make Webber even better!
Form tutors will select two children to represent their form each half term to enable all children to have the opportunity across the academic year.

You do not need to sign up for this club the children in each class will have the opportunity throughout the year.

Painting and Colouring Club

Day

Tuesday

Year Groups

R, I & 2

A fun and relaxing club where children explore their creativity through painting and colouring, using a variety of materials and themes each week.

Themed Film Activity Club

Day

Tuesday

Year Groups

R, I & 2

Enjoy watching films selected to provide important messages and lessons. We watch the film and then discuss the key messages and characters and how they affect us.

Pre Prep (Reception – Year 2) Clubs Continued...

STEM Activity Club

Day

Wednesday

Year Groups

R, I & 2

A practical club using Science, Technology, Engineering and Mathematics to explore the world around us.

Sports Activity Club

Day

Wednesday

Year Groups

R, I & 2

We will explore key skills of athletics track and field activities in preparation for Sports Day.

Story Telling and Drama

Day

Thursday

Year Groups

R, I & 2

Students will explore different well known stories and the story elements through dramatic play. The club will aim to develop students' creative, collaboration and communication skills whilst understanding characters, plots and themes in a fun and hands-on way.

Drawing Club

Day

Thursday

Year Groups

R, I & 2

Come along and learn different drawing styles and techniques. This is an exciting opportunity to learn how to draw using different techniques with the help of technology.

Pre Prep (Reception – Year 2) Clubs Continued...

Mindfulness Craft

Day

Friday

Year Groups

R, I & 2

A calming and creative space where children unwind through mindful, hands-on activities and simple crafts. A perfect way to relax, focus, and express themselves after a busy school day.
