

THE WEBBER  
INDEPENDENT SCHOOL

**Senior School**  
**Extra-Curricular Activities Booklet**  
**2025 – Term I**

Dear Parents

We are delighted to share with you the Extra Curricular Activities and Leadership Programme.

The programme is based on feedback from Student Councils and Student and Parent Surveys and includes some exciting new opportunities.

We offer a wide range of clubs, activities and opportunities across the Year 7 to Year 11 age range, and we aim to offer something to interest everyone!

Student Leadership opportunities are key to personal development and this ECA Programme includes many opportunities for Seniors Students to support, coach, mentor and lead activities and working groups. This helps our young people to build up their Digital Portfolio of leadership experience and skills which gives them the 'Webber Edge' and helps them stand out in their Prefect, Head Student, Post 16 Sixth Form and College interviews. These opportunities give our students the chance to serve in their School and wider community and to give something back. These leadership opportunities also help our young people to develop as individuals to become confident, articulate and impactful young adults and contribute toward their Community Service Awards and Character Education.

Our Nursery and Prep School children really enjoy playing and learning alongside our older students who they look up to as role models and the older students gain as much from this interaction too! Working together across the Key Stages and phases of the School is what makes Webber a family school.

The Programme includes:

- Art, Performing Arts, Creativity and Music
- Well-being, positive mental health and healthy choices
- Sports for School Teams, fitness and fun
- IT and Digital Literacy
- Green, Science and Eco themed Clubs
- Languages, communication, reading and debate
- Leadership and mentoring opportunities
- Finance, Life Skills and Entrepreneurship
- Army Cadets and Duke of Edinburgh's Award
- Just for fun clubs!

The vast majority of these activities and clubs are totally free of charge and we strongly encourage all our students to make the most of these fantastic opportunities.

There is no maximum limit, but we strongly encourage all students to attend at least 2 clubs or activities each week where a register will be taken. Once signed up, students must commit to regular attendance for 10 weeks and see the staff member in charge in advance if they are unable to attend for any reason.

If you would like your child to have Peripatetic Music lessons in school these can be booked via Magic Booking however, if you have any further questions please contact our Head of Music Mrs Molloy [e.molloy@webberindependentschool.co.uk](mailto:e.molloy@webberindependentschool.co.uk) for further details.

If you have any questions or if you would like to suggest or even run a future club or activity please contact the school Reception Team [reception@webberindependentschool.co.uk](mailto:reception@webberindependentschool.co.uk).

Kind regards

Hilary B Marsden  
Headmistress

Digital sign-up for these Extra Curricular Activities will be running between **Tuesday 2 September from 6pm until Friday 12 September at 3pm** through Magic Booking [here](#).

Please note that if you have any overlapping or waiting list bookings when trying to book your chosen club(s) these **ALL** need to be accepted in order for your booking to be accepted. This will be displayed like the example below, and you can accept the overlaps by clicking the button highlighted in yellow and ticking all.

The screenshot shows the Magic Booking interface for a session titled 'Senior Entrepreneurs'. At the top, there are buttons for 'Book Session' (green), 'Check Availability' (grey), and 'Booking Request' (grey). Below this is a dropdown menu for the session, currently set to 'Senior Entrepreneurs'. A 'Click to expand and collapse' link is next to it. The 'Year: 2025' is displayed, with a yellow button labeled 'View Overlapping/Waiting List Sessions' highlighted. Below the year, there are tabs for 'Week 2' through 'Week 7'. The 'Week 2' tab is selected, showing a calendar view for 'Thu 09/Sep/2025 - Sun 12/Sep/2025'. A table lists the sessions for Week 2, with columns for 'Select', 'Child', 'Day', 'Date', 'Start Time', 'End Time', 'Price', and 'Status'. One session is listed for 'Thu 09/09/2025' from '13:30' to '14:00' for '£3.00' with a status of 'Waiting List'. A 'Viewing List' button is next to the session. At the bottom, there are 'Previous' and 'Next' buttons, and a 'Back' button on the left.

If you are a first time user of this system we have added our Parent Manual for Magic Booking on our Webber App or our website which can be found here: If you are a first time user of this system we have added our Parent Manual for Magic Booking to our website which can be found here: <https://www.webberindependentschool.com/school-life/extra-curricular-sport/>

To ensure your child can attend their preferred ECAs, we recommend you book early, as capacity in each club may be limited. Please make sure to check if you are accepted or on a waiting list for the club. Instructions on how to do this can be found in the Manual linked above.

**The students will be expected to commit to the club for the whole term.**

Clubs will commence **Wednesday 3 September 2025**.

If you are booking Extra Curricular Activities and require After School Provision after the Activity as you are not already paying for wrap around care on fee structure - Option 2, please ensure to book the appropriate After School Provision event using the same link as above. I have added a note to the title of the event to make it more convenient. For our newer parents, Before and After School Provision is booked the same way as above. You only need to book Before and After Provision on Magic Booking if you Opted for Option 1 School Fees.

If you encounter any issues or would like any help with the process, please feel free to contact us on [reception@webberindependentschool.co.uk](mailto:reception@webberindependentschool.co.uk).

## Tuesday Continued...

Prom Committee	
Day	Tuesday
Year Groups	II
Time	4 pm - 4:30 pm
<p>If you would like to help plan and organise the end of Year II Prom, which includes the fundraising, the after school/ lunchtime events, the decoration prep, the organisation of the seating plan and awards etc., then please sign up to this ECA. It will require more support than just the 30 minute session with after school discos and lunch time cake sales for example. This committee will run September - May and will require full commitment to ensure a fabulous event for all YII students.</p>	

First Aid	
Day	Tuesday
Year Groups	7, 8, 9, 10 & 11
Time	4 pm - 5 pm
<p>This program will include both theoretical instruction and hands-on practical sessions.</p> <p>A.A.M.S (Acute Ambulance &amp; Medical Services) will issue a certificate upon successful completion of the course, which will cover the following key areas:</p> <ul style="list-style-type: none"><li>• Management of life-threatening bleeding</li><li>• Anaphylaxis response (including the use of auto-injectors)</li><li>• Basic care for seizures</li><li>• Basic care for asthma (including inhaler usage)</li><li>• Basic wound care</li><li>• Basic Life Support (BLS), including the use of a manikin</li></ul> <p>The course is structured into weekly sessions, with each week focusing on a specific topic. For example, one week may be dedicated to Basic Life Support, while another may focus on life-threatening bleeding.</p> <p>Participants—particularly children—will have the opportunity to engage in practical training, including the use of BLS techniques and AED (Automated External Defibrillator) practice. Given the time required for effective hands-on learning, one full session may be allocated exclusively to BLS and AED. The remaining sessions will then incorporate the other topics, ensuring a comprehensive and engaging learning experience.</p>	

## Tuesday Continued...

Calligraphy and Paper Craft Club	
Day	Tuesday
Year Groups	7, 8, 9, 10 & 11
Time	4 pm - 5 pm
<p>Love getting creative with your hands? Whether you're a seasoned artist or just enjoy making things, Craft Club is the perfect place to unwind, express yourself, and try out new techniques in a fun and friendly environment.</p>	

Crest Award	
Day	Tuesday
Year Groups	7, 8 & 9
Time	4 pm - 5 pm
<p>Ideal for students looking to deepen their interest in STEM, these Awards help build valuable skills such as communication, problem solving, teamwork, resilience, and motivation.</p>

Time	1.30 pm - 1:55 pm & 4 pm - 5 pm
<p>Ideal to build up Post 16 application portfolio and leadership experience helping to share your skills and talents with our younger students in the school community.</p> <p>This club is for initial sign up and Ms Race – Nursery Manager will discuss with students where and when they will be needed.</p>	

Keyboard Club	
Day	Wednesday
Year Groups	7, 8 & 9
Time	4 pm - 4:30 pm
<p>Develop your keyboard and note reading skills by learning some well known melodies.</p>	

## Wednesday Continued...

Debate Club	
Day	Wednesday
Year Groups	7, 8, 9 & 10
Time	4 pm - 4:30 pm
<p>If you like the idea of researching and forming an argument in a logical and controlled environment, and discussing this with other students, then this ECA is for you! As part of the Bellevue Debating competition, selected students from this ECA will be chosen to compete and represent Webber at our annual competition. Don't be shy: if you have never been part of a debate before, we will look at the expectations and formalities as part of getting you debate ready!</p>	

Volunteering to Support Prep School Clubs	
Day	Tuesday - Friday
Year Groups	9, 10 & 11
Time	4 pm - 4:30 pm
<p>Ideal to build up Post 16 application portfolio and leadership experience helping to share your skills and talents with our younger students in the school community.</p> <p>This club is for initial sign up and Miss Duff, Head of Prep will discuss with students where and when they will be needed.</p>	

## Wednesday Continued...

GCSE Maths Help Clinic	
Day	Wednesday
Year Groups	10 & 11
Time	4 pm - 4:30 pm
<p>This ECA is designed to aid Year 10 &amp; 11 students who feel the need for that extra bit of boost for their GCSE Maths.</p> <p>The expectation is for students to arrive with an idea of what they wish to study and any questions they have for staff present.</p> <p>This will not be available to book on Magic Booking as it is a drop-in session.</p>

Time	4:05 pm - 4:45 pm
<p>Explore the wonders of Science in this hands-on club doing all the fun things that are not on the Key Stage 3 &amp; 4 Science Curriculum!</p>	

## Thursday Continued...

Eco and Gardening Club	
Day	Thursday
Year Groups	7, 8, 9, 10 & 11
Time	4 pm - 5 pm
<p>An exciting after-school club open to all students in Years 7 to 11 who are passionate about the environment and sustainability. The club meets weekly and combines lively discussions, creative planning, and hands-on activities.</p> <p>Members of the Eco Committee, made up of students from across all year groups, lead the club by talking about environmental issues that matter most to them, sharing ideas for improving the school's eco footprint, and planning a range of projects. These could include recycling schemes, energy-saving campaigns, wildlife protection, or reducing plastic use within the school.</p> <p>In addition to project work, the Eco and Gardening Club takes care of the school garden. Students enjoy getting stuck into planting, weeding, growing fruit and vegetables, and creating habitats for local wildlife. This hands-on work helps brighten the school grounds and supports biodiversity, while also teaching useful gardening skills.</p> <p>Together, the Eco and Gardening Club and Eco Committee work to make a positive difference to the school community—through action, teamwork, and a shared commitment to protecting the planet.</p>	
Volunteer Nursery Play Leader	
Day	Monday - Friday
Year Groups	9, 10 & 11
