

THE WEBBER  
INDEPENDENT SCHOOL

**Senior School  
Extra-Curricular Activities Booklet  
2026 – Term 3**

**Dear Parents**

**We are delighted to share with you the Extra Curricular Activities and Leadership Programme.**

**The programme is based on feedback from Student Councils and Student and Parent Surveys and includes some exciting new opportunities.**

**We offer a wide range of clubs, activities and opportunities across the Year 7 to Year 11 age range, and we aim to offer something to interest everyone!**

**Student Leadership opportunities are key to personal development and this ECA Programme includes many opportunities for Seniors Students to support, coach, mentor and lead activities and working groups. This helps our young people to build up their Digital Portfolio of leadership experience and skills which gives them the 'Webber Edge' and helps them stand out in their Prefect, Head Student, Post 16 Sixth Form and College interviews. These opportunities give our students the chance to serve in their School and wider community and to give something back. These leadership opportunities also help our young people to develop as individuals to become confident, articulate and impactful young adults and contribute toward their Community Service Awards and Character Education.**

**Our Nursery and Prep School children really enjoy playing and learning alongside our older students who they look up to as role models and the older students gain as much from this interaction too! Working together across the Key Stages and phases of the School is what makes Webber a family school.**

**The Programme includes:**

- **Art, Performing Arts, Creativity and Music**
- **Well-being, positive mental health and healthy choices**
- **Sports for School Teams, fitness and fun**
- **IT and Digital Literacy**
- **Green, Science and Eco themed Clubs**
- **Languages, communication, reading and debate**
- **Leadership and mentoring opportunities**
- **Finance, Life Skills and Entrepreneurship**
- **Army Cadets and Duke of Edinburgh's Award**
- **Just for fun clubs!**

The vast majority of these activities and clubs are totally free of charge and we strongly encourage all our students to make the most of these fantastic opportunities.

There is no maximum limit, but we strongly encourage all students to attend at least 2 clubs or activities each week where a register will be taken. Once signed up, students must commit to regular attendance for 10 weeks and see the staff member in charge in advance if they are unable to attend for any reason.

If you would like your child to have Peripatetic Music lessons in school these can be booked via Magic Booking however, if you have any further questions please contact our Head of Music Mrs Molloy [e.molloy@webberindependentschool.co.uk](mailto:e.molloy@webberindependentschool.co.uk) for further details.

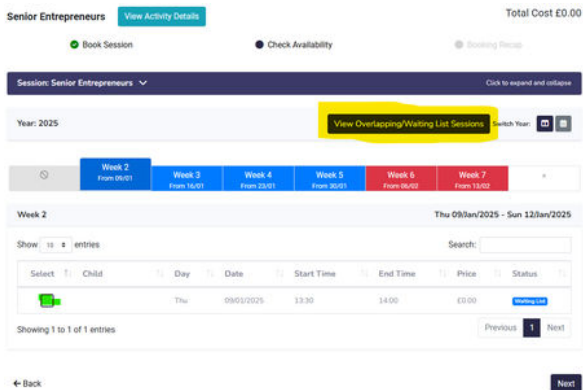

If you have any questions or if you would like to suggest or even run a future club or activity please contact the school Reception Team [reception@webberindependentschool.co.uk](mailto:reception@webberindependentschool.co.uk).

Kind regards

Hilary B Marsden  
Headmistress

Digital sign-up for these Extra Curricular Activities will be running between **Tuesday 14 April from 6pm until Friday 24 April at 3pm** through Magic Booking [here](#).

Please note that if you have any overlapping or waiting list bookings when trying to book your chosen club(s) these ALL need to be accepted in order for your booking to be accepted. This will be displayed like the example below, and you can accept the overlaps by clicking the button highlighted in yellow and ticking all.

If you are a first time user of this system we have added our Parent Manual for Magic Booking on our Webber App or our website which can be found here: If you are a first time user of this system we have added our Parent Manual for Magic Booking to our website which can be found here: <https://www.webberindependentschool.com/school-life/extra-curricular-sport/>

To ensure your child can attend their preferred ECAs, we recommend you book early, as capacity in each club may be limited. Please make sure to check if you are accepted or on a waiting list for the club. Instructions on how to do this can be found in the Manual linked above.

**The students will be expected to commit to the club for the whole term.**

Clubs will commence **Wednesday 15 April 2026**.

If you are booking Extra Curricular Activities and require After School Provision after the Activity as you are not already paying for wrap around care on fee structure - Option 2, please ensure to book the appropriate After School Provision event using the same link as above. I have added a note to the title of the event to make it more convenient. For our newer parents, Before and After School Provision is booked the same way as above. You only need to book Before and After Provision on Magic Booking if you Opted for Option 1 School Fees.

If you encounter any issues or would like any help with the process, please feel free to contact us on [reception@webberindependentschool.co.uk](mailto:reception@webberindependentschool.co.uk).
